

Dear Ms. Fowler,

Thank you so much for sponsoring CBN's 2018 Awards Reception! Over 225 people joined us at SLU last month to honor the hard work of community builders throughout the St. Louis region. Our network looks forward to this celebration every year, and it wouldn't have been possible without your support. We appreciate it!

More importantly, we appreciate BJC's commitment to our region's communities and the work it takes to build a stronger, more equitable St. Louis.

Thank you! I hope our paths cross again soon. Please reach out to us anytime we can be a resource for you and your team.

Best,

Jenny ^{Davis} ^{Neer} Connelly-Bowen
