Course Description: PALS is a blended course that utilizes a self-directed online eLearning curriculum (HeartCode key) followed by a hands-on session (Skills Check Off) for testing of PALS scenarios. The in-person session (Skills Check Off) serves primarily as a clinical competency assessment with minimal instructor-led teaching. The online portion takes approximately 4-6 hours to complete, and the in-person session (Skills Check Off) takes 3-4 hours.

SLCH Staff only

- ❖ Register for classes in Saba
- ❖ SLCH Staff you will receive a key via email. If you do not receive a link from American Heart Association within 2 weeks of class, contact the Pediatric Resuscitation Center at pedresuscitationcenter@bjc.org
