Chief Development Officer

Dear June,

Thank you for the generous sponsorship to our Joe Buck Classic. Your support will impact over 47,000 children each year in need of MRI's, CT Scans, ultra-sounds and more in an inviting sports themed atmosphere. With you help, in 2017 we were able to standardize our ultrasound equipment to help the radiologists and providers follow complex cases with ease. We are honored to have your continued support to St. Louis Children's Hospital.

Malcolm

With sincere gratitude  
and thanks!

June,

Thank you for the continued support to St. Louis Children's Hospital Joe Buck classic. We appreciate BJC continued involvement! With your help, we raised over \$500,000 for our Imaging Center.

Thanks again,
