Dear Ms. Allen and Flu Shot Team:

Thank you so much for your role in the 24<sup>th</sup> Senate District Care Fair that took place in Overland on November 4. Nearly 300 participants were able to receive a wide variety of health care services and resources offered by you and more than 40 other providers in attendance. We could not have done this without your help and support.

It is our hope that we will receive your input on whether this event should continue on an annual basis, and what we might do to make improvements. We know this is a lot of work for everyone involved. And, as we de-brief and consider ways to grow the number of participants, we would also welcome your ideas. Please feel welcome to send a letter to my office, or an informal email to [Jill.Schupp@senate.mo.gov](mailto:Jill.Schupp@senate.mo.gov). We are looking for your real assessment, so do not feel the need to sugar coat any responses. (That's unhealthy, anyway!)

Your professionalism and passion for the work you do helped make this a wonderful event for the people you served. On behalf of the community, thank you for your involvement.

From Chief of Staff, Jill Kline; Executive Assistant June Isenberg and me, we wish you good health and offer our heartfelt gratitude.

Truly,

Jill Schupp  
State Senator  
District 24

*Your team was so critical to the success of our event. We could not be more appreciative!  
Happy holidays!
