St. Louis, MO 63110

Dear June,

On behalf of the Women's Foundation of Greater St. Louis, I would like to sincerely thank you for your donation of \$1,000 to sponsor our 2018 Making a Difference event. The proceeds from this event will allow us to deepen our impact through our education, community engagement and grantmaking programs that are addressing the barriers to economic independence for women and girls.

Since 2007, WFSTL has served as a strategic funder, a catalyst for change and a nexus for women's issues in our region. Our current initiatives include the Women in the Workplace: Employment Scorecard, the region's only gender-based workplace evaluation survey, which incentivizes and educates employers to create more inclusive work environments for women.

As an operating foundation, 100% of our funding comes from generous supporters like you. Thank you for standing with us as we work toward a region where women and girls can reach their full potential!

Best,

Lisa Weingarth Picker  
Executive Director

Deeply grateful for your generosity!

*P.S. Please regard this letter as the receipt for your gift. \$900 of this gift is tax-deductible.*
